

NEW DM4000 SERIES ACCESSORIES AVAILABLE NOW

IMPRES FULL KEYPAD MICROPHONE (RMN5127)

This microphone has a four-way navigation button that makes it easy to navigate the DM4600 and DM4601 full colour display and a full keypad that enables you to enter text messages and dial numbers from the microphone. It also has three programmable shortcut buttons to give easy access to various control head features. The microphone includes IMPRES audio which suppresses ambient noise, improves voice intelligibility and amplifies loudness.

DESK SET WITH DESKTOP MIC (GA00751AA) OR KEYPAD MIC (GA00797AA)

These desk-sets allow you to easily convert your mobile radio into a basic base station, ideal for dispatch and transportation users. The desk-set option comprises a desktop tray (GLN7318), power supply (HPN4007) and either desktop microphone (RMN5050) or the new IMPRES full keypad microphone (RMN5127). Don't forget to order a separate power cord to connect to the mains supply.
